Personal Development Program

The Department of Education and Training instructs all schools to teach Child Protection lessons from Kindergarten to Year 6. Areas include self-esteem, communication, assertiveness, preventing child sexual assault and drug education. These are all important, essential components of student development and understanding. If you have any concerns about the content contact your child’s teacher. Precise anatomical terms for private body parts may be used in lessons. I understand this note and approve.

Privacy notice

Note: A Privacy notice must appear on all forms issued by the Department used for collecting personal information. The Privacy advice notice is below for use with consent forms. A Privacy notice will also need to be included on any electronic personal information data collection system.

Privacy - advice

The information provided on the 2013 permission forms by yourself is being obtained for the purpose of ascertaining relevant medical information, requirements and other health care related needs about your child who is currently enrolled at the school and who may participate in school excursions, sporting activities or other educational or school activities conducted by or in conjunction with Heaton Public School.

It will be used by officers of the NSW Department of Education and Training to assist planning, to support students, and to minimise risks when conducting school excursions, sporting or other school activities.

Other persons or agencies that may be provided with this information include, but are not limited to, volunteers and members of external organisations who join with the school or are otherwise involved in the planning or delivery of the excursion, sporting or other school activity; and persons that may be called upon to provide health care treatment or other assistance during or as a consequence of such excursions or activities.

Provision of this information is not required by law. However, a failure to provide the information may mean that your child can not participate in a particular excursion or school activity. In such circumstances the school will make available a sound alternative educational experience.

Provision of this information will significantly assist the school in planning a safer educational activity. It will be stored securely. If you have any concerns about provision of this information, please contact the school principal to discuss further.

You may correct any personal information provided at any time by contacting the school office.
